## SECTION A CONTRACT REQUIREMENTS

### 1. Purpose

This competitive solicitation is issued in order to assist the Developmental Disabilities Administration (DDA), of the Washington State Department of Social and Health Services (DSHS), to obtain a qualified firm/organization to provide supportive, encouraging, and informational opportunities to families of individuals with developmental disabilities. The awarded Contractor shall oversee the implementation of the activities as listed in the Statement of Work (see Attachment A: Sample Contract).

### 2. Background

The Department of Social & Health Services, Washington's largest state agency, provides some type of shelter, care, protection and/or support to 2.4 million of our state's 7.2 million citizens. A single mission ties DSHS' Administrations together: *To Transform Lives*. DSHS is comprised of two support Administrations and six direct service Administrations. Each service Administration provides specialized services to Washington state citizens in need. Please review the DSHS [Our Future Transformed](#) booklet to learn more.

Developmental Disabilities Administration's (DDA) mission is to transform lives by providing support and fostering partnerships that empower people to live the lives they want. People with developmental disabilities and their families are valued in our state and DDA's programs are aimed to help those individuals get services and supports based on need and choice. DDA's values include respect, person-centered service planning, partnerships and community participation. Additional information on DDA's strategic plans, priorities and programs are found through [this link](#).

Through state funded grants, the DDA has historically funded support to parents and families of individuals with developmental disabilities in every County throughout Washington State. In the past two fiscal years, this program connected with nearly 28,000 families. Arc of Washington is the current Contractor who works with County Parent-To-Parent Programs to provide outreach, information, support and referrals to these families.

This solicitation supports DDA's Strategic Objective 2.1 by continuing to assist individuals with developmental disabilities and their families. The awarded Contract shall help these individuals locate and receive services in their own communities.

### 3. Project Scope

The purpose of this project is to provide supportive, encouraging, and informational opportunities to families of individuals with developmental disabilities. Specifics on these activities and expectations are listed in the Statement of Work (see Attachment A: Sample Contract).

The Apparent Successful Bidder (ASB), through their connection with statewide Parent-To-Parent programs, shall provide:

- assistance to parents of individuals with developmental disabilities
- training and technical assistance
- informational materials
- outreach to diverse communities
- online training modules and webinars
- stakeholder meetings
- specific activities designed to support families through outreach

In addition, the Apparent Successful Bidder shall host an annual appreciation event, provide public awareness of Parent-to-Parent programs, as well as reports describing all efforts and outcomes of the project.

Prior to submitting their Response, Bidders should carefully review the Statement of Work located in Attachment A: Sample Contract to better understand DSHS' expectations of the Parent-to-Parent Programs' and the Apparent Successful Bidder's roles and responsibilities.

Bidder shall identify the key personnel it shall utilize in performing this Contract, and their experience and qualifications, as part of its Response. If awarded a Contract, Bidder shall not make changes to such Key Personnel during the term of the Contract except as requested or approved by DSHS.

#### **4. Bidder Minimum Qualifications**

Bidders must meet the following minimum qualifications to submit a Response:

- a. Demonstrate a minimum of 3 years of experience providing information and referrals for individuals with developmental disabilities and their families
- b. Experience with and/or familiarity with Washington State community developmental disability resources
- c. Knowledge of and/or experience with Peer Mentoring Programs
- d. Staff with or access to individuals who speak/write/sign languages other than English

Bidders failing to demonstrate in their Responses that they meet these minimum qualifications will be considered non-responsive and will therefore be disqualified from further consideration.

#### **5. Period of Contract Performance**

DSHS intends to award one Contract for the services described in this Competitive Solicitation. In order to adjust the period of performance to align with the State's biennium, the initial period of performance under the Contract shall be April 1, 2022 through June 30, 2023 and, if extended, thereafter in 2-year increments. Additional services that are appropriate to the scope of this Solicitation, as determined by DSHS, may be added to the Contract in a mutually agreeable amendment.

## **6. Funding**

DSHS has budgeted an amount not to exceed \$908,475 for the initial 15-month term of the awarded contract. DSHS may reject any Bidder's Budget Response in excess of that amount. Any Contract awarded is contingent upon the availability of funding.

<p style="text-align: center;"><b>SECTION D</b> <b>INSTRUCTIONS REGARDING CONTENT, FORMAT AND SUBMISSION OF WRITTEN RESPONSES</b></p>
---

Bidders shall submit their Responses utilizing the forms set forth on Attachments B, C, and D to this Competitive Solicitation. Each Attachment represents a separate section of the Response. Failure to complete and submit all required Attachments, and to sign them, if applicable, may result in Bidder disqualification. Responses should be neatly typed in 12 point font, using proper grammar, spelling and punctuation and should be submitted in the following order with each section of the Response clearly labeled.

**1. Attachment B: Response Submission Letter** (Required, not scored)

All Bidders must submit a completed submission letter in the form and with the minimum contents set forth on Attachment B, which must include all of the required acknowledgments and information. The Submission Letter must be signed by an individual authorized to bind the Bidder contractually. Bidder's completed and signed Attachments B and C, together with any documents that are required to be attached, and Bidder's answers to administrative questions set forth on Attachment D, Bidder Response Form, comprise the Administrative component of the Response.

**2. Attachment C: Bidder Certifications and Assurances** (Required, not scored)

All Bidders must submit the Bidder certifications and assurances form set forth on Attachment C, signed by an individual authorized to bind the Bidder contractually. Bidders may not alter or redline the Bidder Certifications and Assurances form in their Response. Submitting altered or redlined solicitation terms or requirements in the Bidder Response may result in Bidder disqualification.

**3. Attachment D: Bidder Response Form** (Required, portions scored)

Using Attachment D, Bidders must provide answers to the questions set forth on the Bidder Response Form to demonstrate satisfaction of administrative requirements and, as applicable to this Solicitation, their qualifications, approach and proposed budget to provide the services as outlined in this Competitive Solicitation, including the Sample Contract set forth on Attachment A. The total number of points allocated is indicated on the Form.

The Bidder Response Form is posted separately from this Solicitation document in Microsoft Word format. Except for limits that are noted on the Bidder Response Form, Bidders may utilize as much space as is reasonably required to respond to each question, provided all questions are repeated and remain numbered and ordered as set forth in Attachment D. If additional pages are needed, they should be attached to the page containing the initial portion of the response to a question and should be marked clearly to indicate that they provide a continuation of Bidder's answer to a specific numbered question. Bidders should not submit product brochures, white papers, customer testimonials, cut sheets, or other pre-prepared materials in response to any of the questions.

Bidders must submit complete, well-organized explanatory answers that address all of the specific questions asked in the Bidder Response Form. Bidders should not assume that evaluators will be familiar with their businesses before conducting the evaluation.

Use of Attachment D assures that Bidder responds to specific questions in space immediately below those questions and helps to avoid confusion among evaluators about the question that is being responded to. In awarding points, evaluators shall not be obligated to search through the Bidder's answers to questions other than the one being reviewed in order to locate text that is responsive to the question being reviewed. Failure to use the form set forth on Attachment D (with the applicable questions set forth immediately above Bidder's answers), failure to respond to all questions and/or failure to submit any documents requested in the Bidder Response Form may result in Bidder disqualification.

If Bidder is awarded a Contract, DSHS may require that Bidder's response to the Bidder Response Form be incorporated, in whole or in part, into the Contract.

Bidders should note that administrative overhead costs cannot be more than 8% of total budget. Responses allocating more than 8% of the total contract amount to project overhead will be rejected as non-responsive.

Budgets should not include tax. The Apparently Successful Bidder shall be required to collect from DSHS and remit to the Washington State Department of Revenue (DOR) any Washington State sales and use tax applicable to their Contract. Bidders are strongly encouraged to review Attachment A: *Sample Contract*, General Terms and Conditions' section on Taxes, as well as the [DOR's Tax Rate Lookup Tool](#) for additional details.

Each page claimed to be proprietary must be clearly marked by stating the word "Proprietary" on the lower right hand corner. Bidders must be reasonable in designating information as proprietary or confidential. **Bidders may not mark their entire Response proprietary. Doing so will not be honored and will disqualify your Response from further consideration.**

If DSHS receives a request to view or copy a Bidder's Response, DSHS will respond according to applicable law and DSHS' policy governing public disclosure. DSHS will not disclose any information marked "Proprietary" in a Response without giving the Bidder ten days' notice to seek relief in superior court, per RCW 42.56.540.

**Bidders may not include any DSHS client information in their Responses. Doing so will result in disqualification of the Response from further consideration.** If you wish to include examples of any forms or processes, use a blank form or ensure that all client information is completely redacted.

#### **5. Submission of Responses**

Responses must be stored in an acceptable electronic format and, if applicable, hard copy format, as set forth in Section 7, below. Responses must be emailed directly to the Coordinator at the email address provided on the cover sheet of this Solicitation Document. Responses must be received by the Coordinator in their entirety on or before the due date and time set forth in Section C.1., Solicitation Schedule, unless a posted Amendment to this Competitive Solicitation changes this due date and time. Bidder's completed version of each of the Attachments B, C, and D to this Competitive Solicitation shall be included as a separate attachment to the Bidder's email(s).

Bidders assume all risks for the timely submission of the Response. Bidders are responsible for allowing sufficient time to ensure timely electronic receipt of their Response by the Coordinator and, in Solicitations that also require that hard copies of the Response be submitted, to ensure timely receipt via other delivery methods. DSHS does not assume responsibility for problems with the Bidder's email, network or problems with the mail, parking, traffic or the services of any third party courier. However, if DSHS email is not working properly, appropriate allowances will be made.

When scanning documents to be submitted in PDF format, scanner resolution should be set to at least 200 dots per inch.

**NOTE: DSHS cannot receive emails that are larger than 30MB. To keep file sizes to a minimum, Bidders are cautioned not to use unnecessary graphics in their Responses. If your Response approaches or exceeds 30MB, you must break it up and send it by more than one email so that no single email exceeds 30MB.**

## **7. Alternative Submission Methods**

Bidders wishing to request an alternative method for submitting their Response must contact the Coordinator at least ten days before the Response Submission Date. No alternative submission method will be accepted unless agreed to by the Coordinator in writing prior to the Response deadline.

## **SECTION E EVALUATION OF RESPONSES**

### **1. Response Responsiveness; Administrative Review**

All Responses will be reviewed by the Coordinator to determine compliance with administrative and minimum qualification requirements and instructions specified in this Solicitation. DSHS may reject a Response as nonresponsive at any time for any of the following reasons:

- Incomplete Response
- Submission of a Response that proposes services that deviate from the scope and technical requirements set forth in this document and Attachment A, Sample Contract, except as permitted in an Amendment to this Solicitation
- Failure to meet the minimum Bidder qualifications or to comply with any requirement set forth in this Solicitation Document, including Attachments
- Submission of incorrect, misleading, or false information
- History of prior unsatisfactory contractual performance

The Coordinator may contact any Bidder for clarification of the Response. If a Response is deemed non-responsive, it shall be removed from further consideration. DSHS shall notify non-responsive Bidder(s) of this determination and the supporting reasons. Bidders whose Responses are found to be non-responsive shall be disqualified from further evaluation and shall be notified in writing.

If a Response meets all administrative and Bidder qualification requirements and submittal instructions, DSHS shall continue with the Written Evaluation and, if applicable, the Oral Evaluation.

### **2. Errors in Bidder Response**

Bidders are responsible for all errors or omissions contained in their Responses. Bidders will not be allowed to alter Response documents after the deadline for Response submissions.

DSHS reserves the right to contact any Bidder for clarification of Response contents. In those cases where it is unclear to what extent a requirement has been addressed, the evaluation panel may, in their discretion and acting through the Coordinator, contact a Bidder to clarify specific matters in the submitted Response.

DSHS reserves the right to waive minor administrative irregularities contained in any Bidder Response.

### **3. Evaluation Criteria and Scoring of Responses**

Following the administrative review, Responses shall be evaluated and points shall be awarded for the Written Response components, as applicable, based upon Bidder's responses to the questions set forth in Attachment D, Bidder Response Form.

Additional evaluation points may be awarded for specific criteria not included in Attachment D, Bidder Response Form only if set forth in this Section.

The maximum number of points available for each Bidder is 1,050. The overall breakdown for assignment of points in evaluating Bidder Responses to this Solicitation is as follows:

Written Response.....	800 possible points
(Optional) Oral Interview/Presentation.....	200 possible points
<b>Total Possible Points.....</b>	<b>1,000 possible points</b>
EO 18-03 Response.....	50 possible points
<b>Overall Possible Points.....</b>	<b>1,050 possible points</b>

#### **4. Evaluation for Executive Order 18-03 (Firms without Mandatory Individual Arbitration for Employees)**

Pursuant to RCW 39.26.160(3) (best value criteria) and consistent with [Executive Order 18-03 – Supporting Workers’ Rights to Effectively Address Workplace Violations](#) (dated June 12, 2018), DSHS will evaluate Responses for best value and provide a bid preference in the amount set forth in Attachment D, Bidder Response Form, to any bidder who certifies that their firm does NOT require its employees, as a condition of employment, to sign or agree to mandatory individual arbitration clauses or class or collective action waivers.

Successful Bidder who certify that their employees are NOT required to sign these clauses and waivers as a condition of employment will have an EO 18-03 section added to their contract incorporating this response and requiring notification to DSHS if they later require their employees to agree to these clauses or waivers during the term of the contract.

#### **5. Evaluation of Budget Response**

Bidder should list all anticipated expenses and costs for the initial 15-month period of the contract. These expenses and costs must be considered sound and within the industry norms for similar services. Budgets shall be scored on a Pass/Fail basis. See RFQ Section D.3. for Budget Response requirements.

#### **6. Written Response Evaluation Process**

DSHS shall designate an evaluation team of at least three evaluators to review, evaluate, and score the written question responses. These evaluators will be selected based on their qualifications, experience, capability and background. If oral interviews or presentations are conducted, additional evaluators may supplement or replace some or all of the individuals performing the written evaluation.

Evaluators shall assign scores up to the maximum points available. Individual evaluator points will be totaled and the average points for each Bidder will be calculated. The Bidder’s average points earned for each question will be added together to determine the Bidder’s total written evaluation points.

## **7. Bidder's References**

Once the written evaluations are completed, DSHS may contact the references provided by the top-ranked Bidder(s) in order to investigate past performance and validate information in Bidder Responses. In submitting a Response, Bidder agrees that it shall hold harmless DSHS and any individuals identified as references from and against liability resulting from the provision of information or the receipt and use of that information in evaluating Bidder's Response.

While additional points may be awarded for superior performance and reliability as demonstrated through references (see Section E.3. above), references are generally evaluated on a pass/fail basis. DSHS may reject a Response if a reference provides negative information about a Bidder's past performance.

DSHS may, at any time, require additional or substitute references to determine the Bidder's experience and level of responsibility. If the reference check process reveals information that should properly be considered in evaluating Bidder's responses, DSHS may, in its sole discretion, reconvene the evaluation panel to reconsider the evaluation scoring in light of the information obtained.

## **8. Optional Oral Evaluation**

In addition to evaluating the written response, DSHS may invite one or more of the highest scoring Bidders for an interview or to make an oral presentation which shall be separately evaluated.

## **9. Selection of Apparent Successful Bidder**

The Bidder that receives the highest total number of possible points will be presented to DSHS management for consideration as a finalist for the Apparent Successful Bidder. In the event multiple Contracts will be awarded, the applicable number of top-scoring Bidders will be considered.

The selection process shall determine which Bidder provides the best value in meeting the needs of DSHS. Selection of the Apparent Successful Bidder depends upon DSHS' assessment of multiple factors, including Bidders' qualifications, capabilities, efficiency, experience, reliability, responsibility, integrity, quality of proposed services and deliverables, timeliness, cost and potential impact on DSHS' needs. DSHS may consider whether the Response encourages diverse contractor participation; whether the Response provides competitive pricing, economies and efficiencies; whether the Bidder considers human health and environmental impacts; whether the Response appropriately weighs cost and non-cost considerations; and life cycle cost, as applicable. DSHS may also consider a Bidder's performance on prior State or other contracts and may reject Responses of any Bidder who has failed to perform satisfactorily under any previous contract with the state or another party. DSHS reserves the right to select a Bidder whose Response is deemed to offer the best overall value and that is in the best interests of DSHS and the State of Washington.

DSHS management shall make the final determination as to which Bidder(s), initially designated as finalist(s), shall be officially selected and announced on WEBS as the

Apparent Successful Bidder on or about the date and time set forth in Section C.1., Solicitation Schedule. DSHS may also notify the Apparent Successful Bidder and the unsuccessful Bidder(s) of its determination via email on or about the date and time specified in Section C.1., Solicitation Schedule.

DSHS' decision will be subject to the execution of a Contract satisfactory to DSHS within ten business days following the announcement of the Apparent Successful Bidder on WEBS. In the event the parties are unable to reach agreement on the final details of a Contract, consistent with Attachment A, Sample Contract, DSHS shall have the option of negotiating with the next highest ranked Bidder and of revising the announcement of the Apparent Successful Bidder.

**SECTION F  
BIDDER DEBRIEFING  
AND PROTEST PROCEDURE**

**1. Debriefing Conferences**

No later than 5:00 p.m. on the third business day following the posted announcement of Successful Bidder on WEBS, Bidders who are not selected as a Successful Bidder may send an email to the Coordinator requesting a Debriefing Conference. Since debriefing conferences pertain to the formal evaluation process, Bidders who were disqualified as nonresponsive and therefore did not go through the formal evaluation process are not entitled to request a Debriefing Conference. Unless a different date is agreed upon by the Coordinator, the Debriefing Conference will be held on a date designated in Section C.1., Solicitation Schedule. Discussion at the debriefing conference will be limited to the following:

- Evaluation and scoring of the Bidder's Response
- Critique of the Response based on the evaluation
- Review of Bidder's final score in comparison with the other final scores

No comparisons between Responses will be allowed during the Debriefing Conference, which shall be conducted by telephone, unless the Coordinator agrees to an in-person meeting, and shall last for a maximum period of 30 minutes.

**2. Grounds and Filing of Protests**

A Bidder who has participated in a Debriefing Conference may file a formal Protest if the Bidder asserts that there are facts that indicate error in the evaluation of Responses on one or more of the following grounds:

- Bias, discrimination or conflict of interest on the part of the evaluator or in the process
- Mathematical errors in computing the score
- Non-compliance with procedures described in the Solicitation document or in DES policy

Protests must be emailed to the Solicitation Coordinator and must be received no later than 5:00 p.m. (Pacific Time) on the fifth (5th) business day following the day of the Bidder's Debriefing Conference. The Protest must adhere to the requirements set forth in this Section or it will not be considered. This Protest procedure constitutes the sole administrative remedy available to Bidders from DSHS under this Solicitation.

Protests must include the protestor's mailing address and phone number and the name of the individual responsible for filing the Protest. The Protest must state the Solicitation number and title, the grounds for the Protest, specific facts to support these grounds, and a description of the relief or corrective action being requested.

Protests not based on one of the grounds set forth in this Section will be rejected. It is not grounds for a protest to question an evaluator's professional judgment on the quality

of a Response or DSHS' assessment of its own needs or requirements.

### **3. DSHS Protest Review Process**

The Coordinator will immediately forward any Protest to the Chief of Central Contracts and Legal Services to assign to a Protest Coordinator for review. The Protest Coordinator, an individual who was not involved in the Solicitation, will consider the record and all available facts and will endeavor to issue a decision within ten (10) business days following receipt of the Protest. If additional time is required, the protesting party will be notified of the delay.

In the event a Protest may involve the conduct of or information submitted by another Bidder that also submitted a Response, such Bidder will be given an opportunity to submit its views and any relevant information on the issue(s) raised by the protest to the Solicitation Coordinator.

### **4. Determination of Protests**

The Protest Coordinator shall issue a written determination regarding the Protest. This written determination shall include one or more of the following determinations:

- Upholding DSHS determination of the Apparent Successful Bidder on the basis that there are insufficient facts to establish the alleged error; or
- Upholding DSHS' determination of the Apparent Successful Bidder on the basis that there are only technical or harmless errors in DSHS' evaluation process; or
- Finding errors and identifying actions which may be taken by DSHS, such as:
  - Correction of errors and reevaluation of all Responses,
  - Cancellation and reissuance of the Solicitation (in which case all the Bidders will be notified), or
  - Other corrective actions as may be appropriate

There is no further administrative process or remedy available within DSHS to appeal the determination that resulted in a Protest. If the protesting party does not accept DSHS' determination, the protesting party can seek relief from Superior Court in Thurston County, WA.

## **SECTION G**

### **CONTRACTING PROCEDURES**

#### **1. Contract Execution**

The Apparent Successful Bidder is expected to sign a contract with DSHS that is substantially the same as Attachment A, Sample Contract, included with this Solicitation, and to enter into any subsequent Contract amendments that may be required to address specific work or services.

DSHS reserves the right to require that some or all of Bidder's Response be incorporated into the Contract, and to negotiate the specific wording of the Statement of Work, based on the requirements of this Solicitation and the terms of the Response submitted by the Apparent Successful Bidder. If changes are requested as part of the Response, DSHS may consider, but shall be under no obligation to agree to, modifications to the General Terms and Conditions of Attachment A, Sample Contract.

If the Apparent Successful Bidder fails or refuses to sign a Contract within 10 business days of delivery by DSHS, DSHS may elect to designate the next highest-ranked finalist as the Apparent Successful Bidder.

#### **2. Insurance**

The Apparent Successful Bidder shall provide evidence of its compliance with the insurance requirements included in Attachment A, Sample Contract.

#### **3. Non-Endorsement**

The award of a Contract is not an endorsement by the State or DSHS of the Bidder or Bidder's Services and shall not be represented as such by Bidder in any advertising or other publicity materials.

By submitting a Response to this Solicitation, the Bidder agrees to make no reference to DSHS in any literature, promotional materials, brochures, sales presentations or the like without the prior written consent of DSHS.

#### **4. Background Checks**

Individuals who will be performing the Contract on behalf of the Apparent Successful Bidder may be required to undergo background checks. Individuals who have disqualifying results (showing crimes and/or negative actions) may not be permitted to provide services under the Contract.

#### **5. Electronic Payment**

The State prefers to utilize electronic payment in its transactions. The successful Bidder will be required to register in the Statewide Vendor Payment system, <https://ofm.wa.gov/it-systems/statewide-vendorpayee-services>, prior to submitting a request for payment under their Contract. No payment shall be made until the registration is completed.
